Better than new, this magnificent custom home is perfectly positioned on a stunning half-acre lot with golf course views in the ever-popular gated golf community of Crow Creek. Thoughtfully designed with upscale finishes and exceptional craftsmanship, this custom home offers luxury living at its finest. No expense was spared in this open concept 3 bedroom, plus Office and Bonus room home. The oversized THREE CAR GARAGE is almost 1000 SF and features epoxy floors, sink, is heated and cooled and even has future potential for a car lift. The extra wide & long driveway is an added bonus. There is a built-in whole home generator as well as a state-of-the-art HVAC system with both a heat pump and furnace. No expense was spared as you are greeted by the Tiffany Diamond double doors and the foyer welcomes you with Barrel Vault ceilings. The Chef's Kitchen is both beautiful and functional, featuring abundant custom cabinetry with deep drawers, a huge center kitchen island, pot filler, under cabinet lighting, backsplash, farmhouse sink, double convection ovens, custom wine rack & a spacious walk-in pantry. The Master Suite is offers generous space for multiple furniture arrangements, separate his & her custom closets with built-in drawer systems, and a Resort Spa inspired bathroom with a walk-in tiled shower and a separate soaking tub. The main living area centers around a stunning Stone fireplace with built-in. The Master
